Jews for Jesus are Jewish People Who Believe in Jesus and want to tell everyone about Jesus the Messiah

They engage the greater Jewish community with the message of Jesus so that more Jewish people will be spiritually transformed through knowledge and love of God. Jews for Jesus, the organization, was founded in 1973. However, they like to say they were “founded 32 a.d., give or take a year.”

Today, their staff are active internationally in 13 countries and 24 cities.
